HB0049 - Clean Fuel School Buses and Infrastructure

Any Fiscal Impact - yes

Updated 12/19/2014 10:03:08 by Bruce Williams

This bill provides grants to replace school buses and to create infrastructure for alternative fuel vehicles. This allows the State Board of Education to award grants to LEA's for alternative fuel buses, install infrastructure and retrofit bus shops. The State Board of Education will make rules for awarding grants, criteria, and report on distribution of the funds. The State Board of Education will administer the grant. The bill contains a \$20 million one-time appropriation from the Education Fund.
